INVITATION TO ISEE 2024

Dear friends, colleagues, interested citizens,
ISEE Community,

We are delighted to invite you to attend the **36th Annual ISEE Conference in Santiago, Chile** between **August 25-28, 2024**. The main theme of the conference is **“Addressing challenges in environmental health, justice, and development”**. We will address how the scientific community faces current health environmental justice, and epidemiological challenges, including empirical evidence, methodological approaches, ethical and theoretical developments.

Yours sincerely,

on behalf of the LAC chapter and Chilean Local Organizing Committee

María Elisa Quinteros Cáceres,
