

Dear ISEE colleagues,

I hope this letter finds you well. As part of our preparations for the upcoming ISEE Conference in Chile, the Local Organizing Committee has engaged in discussions with two poster printing suppliers conveniently located near the Convention Center in Santiago.

We understand that transporting large posters from another country can be cumbersome and may incur additional costs and risks.

Below you can find the steps to follow if you want to take one of these options.

Please feel free to reach out if you need any further details or have any questions regarding our arrangements.

Best regards,

*Maria Elisa Quinteros C.
Chair, ISEE 2024 Conference
Local Organizing Committee*
